

# Free Ethics Seminar

Attend in-person on Dec. 5 *or* Dec. 8  
at the Japanese Cultural Center of Hawaii

## Course Description

*(Earn 3 Continuing Education Credits)*

This in-person seminar exclusive to Hawaii Dental Service (HDS) Participating Dentists and their hygienists brings current challenges and issues into the spotlight to strengthen ethical and professional responsibility in dentistry.

## Seminar Objectives:

- Understand and discuss the Principles of Nonmaleficence, Beneficence, Autonomy, Veracity, and Justice.
- Understand and discuss the ADA's Code of Professional Conduct.
- Identify and avoid specific unethical behaviors related to dental coding and claims submission in daily dental practice.
- Understand what constitutes dental fraud.

Presented by:  
**Mark Sweet, DDS**  
*Dental Director, HDS*

Mark Sweet, DDS earned a dental degree from the University of Iowa College of Dentistry, where he also completed a residency in endodontics. He is board certified in endodontics and a recently retired as a U.S. Army Colonel after a distinguished 32-year career, serving in dental roles throughout the world. Dr. Sweet's academic appointments include serving as an associate professor with the Uniformed Services University of the Health Sciences. He is a member of the American Association of Endodontists, American Board of Endodontist College of Diplomates, American Dental Association, American Society of Forensic Odontology; American Dental Education Association; and International Association of Dental Traumatology.
